

Open Water SCUBA Instructor Learning Agreement

Welcome to your PADI Open Water SCUBA Instructor (OWSI) Course. As a dive professional, you've gained valuable experience by training individuals to dive. This program is designed to enhance your skills and provide you with new tools to use as a PADI Open Water Scuba Instructor. During this program, you'll receive a full orientation to the PADI system of diver education. Prior to the start of your OWSI Program, you'll need to read and study the program material to ensure you are fully prepared. Signing this Learning Agreement indicates that you are aware of and accept this responsibility as well as the other Instructor Candidate responsibilities as outlined by this agreement.

As an Instructor Candidate in this PADI OWSI, you agree to:

- 1. Complete all required pre-work BEFORE the First Class Session including:**

You will be responsible for any additional costs including additional required resources and/or inconvenience this causes. In scheduling and determining additional cost, your Course Director agrees to give every reasonable consideration to unforeseen events such as family emergencies that lead to this situation.

The Course Director and Staff agree to:

- 1. Treat you with respect.**
- 2. Start the class as scheduled.**
- 3. Provide a positive learning environment in which to master the program objectives.**
- 4. Answer your questions to the best of their ability.**
- 5. Assist you through learning challenges.**

All performance requirements must be met before you are eligible to attend the PADI Instructor Examination (IE). In a situation where you are unable to meet all program requirements, additional training sessions may be needed. Logistics and costs for additional training sessions are determined on a case-by-case basis.
